Tour Itinerary

Day 1 – We start our journey travelling east, making our first night's accommodation at the quaint Hotel Bernieres – just outside Quebec City.

DAY 2 – Our day starts with a tour of the perennial favourite – Domain Joly de Lotbiniere (on the banks of the St. Lawrence). After our buffet lunch (included) we start the journey to Rimouski. En route we will stop and visit La Jardin de la Pocatiere. We then continue to our next night's lodging in Rimouski – Hotel Gouverneur. Dinner is included

DAY 3 – Early in the morning we arrive at Reford Gardens for a full day of viewing. Lunch is served at the historic Estevan Lodge and then we make our way back to Quebec City – checking into the Hotel Clarendon – ideally located in Old Quebec City on a cobblestone street lined with restaurants.

DAY 4 – Our day starts with a tour of Quebec City and some local gardens OR you can spend this day as free time to discover this fabulous city.

DAY 5 – We bid fond farewell to this historic city and continue towards La Malbaie, on the north shore of the St. Lawrence. After lunch, we are now ready for the highlight of this tour...visiting Quatre Vents. In groups of five, we will have ample time to stroll the gardens and thoroughly enjoy this private treat. To end this day, we will have dinner and stay overnight at the five-star **Fairmont Manoir Richelieu**. A spectacular ending to a spectacular day!

DAY 6 – This morning, after we enjoy the great Fairmont breakfast, we will travel to towards the Eastern Townships of Quebec. With a lunch stop in Victoriaville (included) and an afternoon “tailgate” party at Parc Marie Victorin, we will then be treated to visit some of the fabulous private gardens in the area. Our last night will be at the beautiful Estrimont Suite & Spa – with dinner included.

Day 7 – We begin our journey home, but not before stopping at the Jardin de Michael Corbeil – a huge greenhouse facility in the Montreal area which boasts a fabulous display garden. You can see it plus buy it! We will arrive in the GTA in the early evening.
