FRANK LLOYD WRIGHT Tours + International Destinations

Message from Margaret: Each year just gets better and we are excited to offer more tours this year than ever before! Tours will be organized and led by either myself, Shirlie or Elaine. Combined we have over 65 years of touring experience. With the three of us researching new destinations, we will continue to expand your scope of travel and strive to uncover new and remarkable adventures. As we are constantly adding new tours – please continue to check our website – or give us a call. Also, if you hear of an exceptional event that is occurring, please call and tell us...maybe we could organize a tour that would include this event.

You will note that some tours do not contain the price – due to the fluctuating US dollar. These tours are being priced closer to departure.

GROUP TRAVEL

Do you belong to a group? Let us organize a tour just for you and your members. *We can make this a fund-raising event for your organization!*
