Day 1 - Welcome to Windsor

This morning you depart for Windsor. Upon our arrival, we will visit the “John Freeman Walls Historical Site and Underground Railway Museum”. At this location, you will meet direct descendants of the underground railway and “conductors” (tour guides) will take “passengers” (you) on an interactive trip back in time. The 1846 log cabin on site was built by John Freeman Wall and his wife, Jane King Walls, who rest in the family cemetery on the property. We will then visit a local winery.

In the late afternoon you will check into your hotel – Windsor’s waterfront CASEARS. Upon checking into your Casino hotel, you will receive a \$ 45. in food coupons and \$ 30. in slot play coupons. The evening is then free to enjoy. (L)

Day 2 – Rum Runners Adventure

This morning you will be met by “The Rum Runners Tour” acting troupe. The group will take you on a journey through prohibition of the 1920s and 30s in Windsor. This tour includes a stop at the Canadian Club Brand Centre, a heritage building, for a tour and tasting, as well as lunch at a local restaurant. The rest of the day, you are free to enjoy the amenities at Casears – possibly take a stroll along the boardwalk and see the amazing statues.

We will return in the late afternoon with plenty of time to freshen up for your exciting three hour Dinner/ river cruise aboard the “Macassa Bay.” Your cruise route will follow the south shore on the Windsor Essex side and then return following the north shore along the Detroit side. The scenery is spectacular as is the narrative about the history of these two cities.

Day 3 – Point Pelee Park

A lush Carolinian forest oasis at the southern tip of Canada, Point Pelee National Park resounds with migrating song birds in the spring. We will take a trolley around the park to visit the most southern part in Canada.
