A late summer trip along the majestic St. Lawrence River is an experience that leaves a lasting impression on visitors. Sweeping hills covered in their spectacular foliage give way to historic trading post towns, lively Francophone cities and ultimately the cool blues of the river itself.

On September 3<sup>rd</sup>, join us as we depart for the picturesque St. Lawrence, where we will spend two nights inside the "ramparts" of Old Quebec City – staying at the landmark, Hotel Clarendon. While in Quebec City you will have enough time to explore many of the wonders of this magnificent city including its quaint shops and cafes.

On day three we will head along the St. Lawrence for our breathtaking experience on the **whale-watching cruise**. Our cruise also includes a journey up the Saguenay River to have a look at the fabulous Fjords. Our overnight accommodation will be at the fabulous Fairmont Manior Richelieu! Our next day will be **experiencing the city of Montreal**, where we will overnight at the downtown, Novotel Hotel. We depart Montreal for Ottawa and finish the tour at our Nation's capital – taking in some of the 150<sup>th</sup> celebration activities.
