

MICHIGAN CIRCLE TOUR:
Detroit – Mackinac Island – Frankenmuth

September 13th to 16, 2022

FOUR DAYS/THREE NIGHTS

This lovely fall tour takes you on a circle tour of splendid colour!

The state of Michigan is ablaze with colour during autumn!

DAY ONE: We travel through western Ontario and our first stop is at the famous “MOTOWN” museum in downtown Detroit. Today, the “Hitsville U.S.A” property operates as the Motown Museum, which is dedicated to the legacy of the record label, its artists, and its music. The museum occupies the original house and an adjacent former residence. For the car enthusiasts, we are headed over to tour the Henry Ford Museum in Dearborn. Our first night is spent at the Hyatt Place Hotel in Livonia/Detroit.

DAY TWO: After breakfast, we then head to Mackinaw City, Michigan and take the ferry to Mackinac Island, where we step back in time before cars – exploring the island via horse drawn carriage. Mackinac Island is the truly “all natural” theme park of America. Limited to transportation of horse and buggy, bicycle, or foot, surrounded by water, it has escaped the vast changes of time. We travel by ferry from Mackinaw City to spend the afternoon exploring the historic, natural beauty of Mackinac Island State Park, honoured by National Geographic as one of the ten finest in America!
Arriving back on mainland, we overnight in the Holiday Inn, in Mackinaw City.

DAY THREE: After breakfast, we then travel to Frankenmuth – Michigan’s “Little Bavaria” for the opening night of OKTOBERFEST!!!! This includes their famous Oktoberfest buffet.

DAY FOUR: The next morning allows time for a shopping stop at Bronner’s – the largest Christmas store in the world! OR shopping at the nearby factory outlets
