A late summer trip along the majestic St. Lawrence River is an experience that leaves a lasting impression on visitors. Sweeping hills covered in their spectacular foliage give way to historic trading post towns, lively Francophone cities and ultimately the cool blues of the river itself. On August 26th, join us as we depart for the picturesque St. Lawrence, where we will spend two nights inside the “ramparts” of **Old Quebec City** – staying at the landmark, Hotel Clarendon. While in Quebec City you will have enough time to explore many of the wonders of this magnificent city including its quaint shops and cafes.

On day three we will head along the St. Lawrence for our breathtaking experience on the **whale-watching cruise**. Our overnight accommodation in La Malbaie area will be the Petit Manoir du Casino. Prior to our arrival in Montreal, we will experience the Montmorency Falls – taller than Niagara Falls! We will arrive in **the city of Montreal** in the later afternoon, where we will overnight at the downtown, Novotel Hotel. Our last day will include a tour of the City, plus time to enjoy “Old Montreal.”
